Hello, I'm wondering if anyone has the Gazoo Lightroom plugin by the very talented, but now deceased Rob Cole. His site is no longer online, and all his great work is now lost, which seems like a huge

Con una potencia de salida de 5 kW, doble entrada MPPT de hasta 8000 W en paneles solares y una corriente de 18 A por MPPT, este modelo ofrece una gran flexibilidad en diseño y configuración.

I'm looking for a very specific plugin that appears to be called "Exportant" by a developer named Rob Cole. He seems to have disappeared from what I can tell, and his website and

Folder Collections - Lightroom Plugin. Makes a set of collections that mirror your folders so you can access in Develop Module. Featuring: Synchronizes automatically during startup,

I have been looking for various ways to do things in Lightroom and a number of solutions are Rob Cole's plugins. It appears his site is no longer up to download them.

This is a plugin for Lightroom created by Rob Cole. "CollectionAgent - Lightroom Plugin. Duplicate, sync, & copy collections and/or collection sets. (same collection tree, or regular collections to publish

RobColeLr has 8 repositories available. Follow their code on GitHub.

El Inversor Solar Híbrido Monofásico PVSTAR PVS-AS5k-G2ES de 5 kW es la solución de almacenamiento más equilibrada y eficiente para hogares que buscan independencia energética.

Nuevo inversor híbrido Deye SUN-5K-SG05LP1-EU-AM2-P (5000W) con doble entrada MPPT y

Inversor solar MPPT de 5 kW

hasta 8000 W en paneles solares. Uno de los equipos más completos del mercado, capaz de funcionar

ExifMeta uses exiftool to extract exif (and other) metadata from source files, and uses it to populate custom (plugin) metadata in Lightroom, for viewing in Library panel, or filtering in Library module, or

Inversor híbrido para autoconsumo con baterías. Permite gestionar energía solar, red y almacenamiento de forma inteligente. ¿No sabes qué equipo elegir? Te asesoramos para que compres el sistema

Rob hasn't been heard from for several months. Nobody seems to know what's happened, obviously we hope it's nothing bad. But I don't know if anyone can help you with his plugins.
